ALL WRONG

It didn't last long,
Cuz' it wasn't meant to
It was All Wrong.

We tried like hell,
And everyone but us could tell
That it was All Wrong.

It can look so damn good,
Be just like you think it should
When – it's All Wrong.

Well maybe someday,
Maybe somewhere,
We'll get it Right – We'll get there...

Maybe I've known,
Known all along,
Where it was goin'
That it was Gone...

(Daniel Sage/ASCAP)

KISS HER RIGHT

Drivin' hard through the night,
I need a bigger engine.
Still miles away from the light,
Of your door.

The moon is actin' so strange,
Well maybe he knows something.
There's only on way to tell – For sure...

And That Will Be – When I Kiss Her,
And I'll Kiss Her Right... I'll Kiss Her Right.

Yes I'll Know, When I Kiss Her –
And I'll Kiss Her Right ... I'll Kiss Her Right.

I'll Cast My Spell, When I Kiss Her –
And I'll Kiss Her Right.... I'll Kiss Her Right.

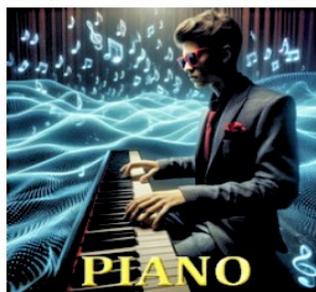

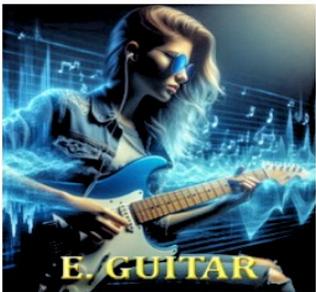

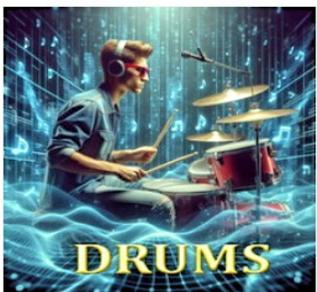

All Is Well When I Kiss Her – If I Kiss Her Right.

Doubt flow into my brain,
The moment that I left you.
Haven't taken the Strain, So well...

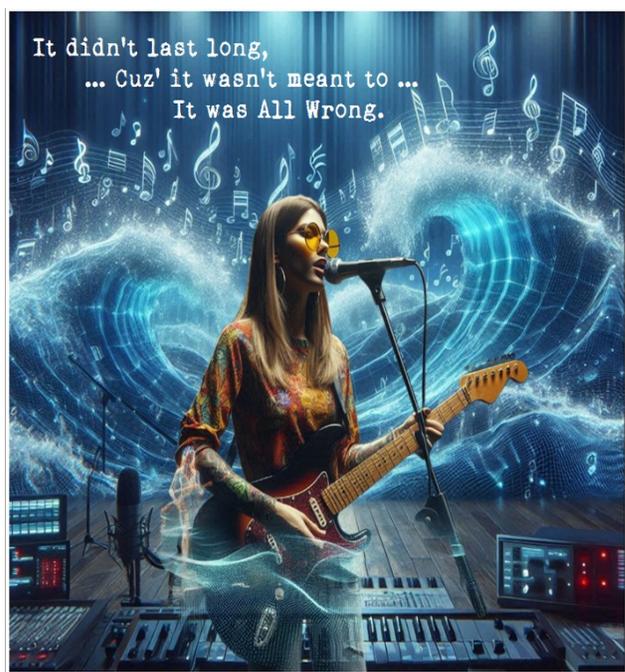

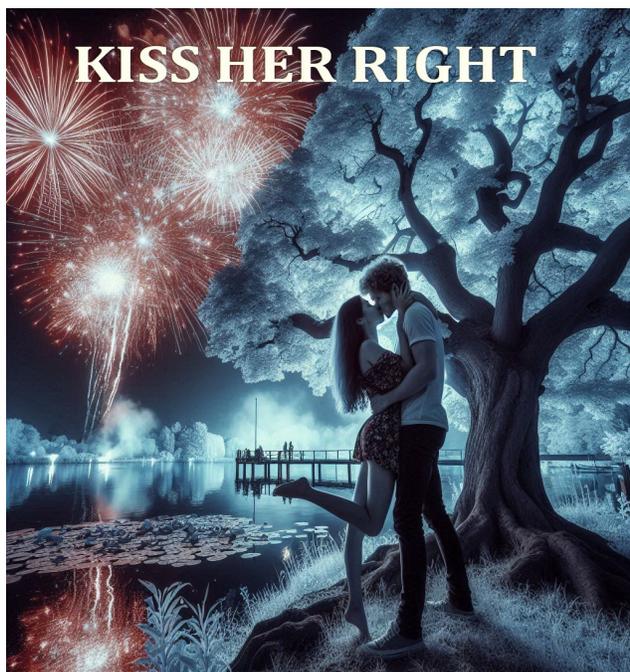

Guilt is tryin' to claim,
I didn't hold you close enough girl.
Now all I've got is your name – That's all...

(Daniel Sage/ASCAP)
